

## What is the PRCCDC?

The annual Pacific Rim Collegiate Cyber Defense Competition (PRCCDC), open to two and four year colleges and universities, serves as the regional qualifier for the National Collegiate Cyber Defense Competition (NCCDC). The event provides students with real world challenges while maintaining a corporate network.

The 2025 Competition will be held at South Puget Sound Community College in Olympia, WA. The event will be March 21st and 22nd with a Job Fair on March 23rd

## Why sponsor the PRCCDC?

The success of the event comes from support of business and industry partners like you. As a sponsor, you have the opportunity to contribute to a real world cybersecurity and information assurance experience not replicated in a typical classroom, while seeing how students work under pressure. You will also have the opportunity to network with these students outside of the competition.
